

using either the county average yield (which may be obtained from FSA by request) or based on analysis of approved actual production history yields that may exist for producers of the crop on the farm.

(g) Unless otherwise determined necessary by FSA, producers will not be required to submit documentation of farm crop production or loss at time of application. FSA's decision not to require proof, documentation, or evidence in support of any application at time of application is not to be construed as a determination of a producer's eligibility.

(h) Producers who apply are required to retain documentation in support of their application for three years after the date of application in accordance with § 760.713.

(i) The application submitted in accordance with this section is not considered valid and complete for issuance of payment under this part unless FSA determines all the applicable eligibility provisions have been satisfied and the producer has submitted all the required forms. In addition to the completed, certified application form, if the information for the following forms or certifications is not on file in the FSA county office or is not current for 2009, the producer must also submit:

- (1) Farm operating plan for individual or legal entity;
- (2) Average adjusted gross income statement for 2009; and
- (3) Highly erodible land conservation (HELC) and wetland conservation certification.

(j) Application approval and payment by FSA does not relieve a producer from having to submit any form, records, or documentation required, but not filed at the time of application or payment, according to paragraph (h) of this section.

#### **§ 760.705 Payment rates and calculation of payments.**

(a) CAP payments will be calculated by multiplying the total number of reported or determined acres of an eligible crop by the per acre payment rate for that crop. Payment rates are as follows:

- (1) Long grain rice, \$31.93 per acre;

(2) Medium or short grain rice, \$52.46 per acre;

(3) Upland cotton, \$17.70 per acre;

(4) Soybeans, \$15.62 per acre; and

(5) Sweet potatoes, \$155.41 per acre.

(b) Payments will be calculated based on the 2009 crop year reported or determined planted or considered planted acres of an eligible crop on a farm in a disaster county as reflected on a form FSA-578, Report of Acreage, on file in FSA as of October 22, 2010.

#### **§ 760.706 Availability of funds.**

(a) Payments specified in this subpart are subject to the availability of funds. The total available program funds are \$550 million. In order to keep payments within available funds, the Deputy Administrator may pro-rate payments, to the extent the Deputy Administrator determines that necessary.

(b) Funds for CAP are being made available only for the 2009 crop year reported and determined eligible crop acreage in disaster counties as reflected on a form FSA-578, Report of Acreage, as of October 22, 2010.

#### **§ 760.707 Proof of loss.**

(a) All certifications, applications, and documentation are subject to spot check and verification by FSA. Producers must submit documentation to FSA if and when FSA requests documentation to substantiate any certified application.

(b) Producers are responsible for retaining or providing, when required, verifiable or reliable production or loss records available for the crop. Producers are also responsible for summarizing all the production or loss evidence and providing the information in a manner that can be understood by the county committee.

(c) Any producer receiving payment under this subpart agrees to maintain any books, records, and accounts supporting any information or certification made according to this part for 3 years after the end of the year following application.

(d) Producers receiving payments or any other person who furnishes such information to FSA must permit FSA or authorized representatives of USDA
